Ada X finishes up the year by warmly welcoming Marianne Desrochers to the team as Administration and Finance Coordinator! Until you meet her live, [here](#) she is. 🎉

We are offline from December 19 to January 5. The Ada X team — Stéphanie, Roxane, Hannah, Deborah, Natacha, Marianne, Sarah (from our Board) and Orphée — wishes you less screen time and some fresh air for the end of 2020.

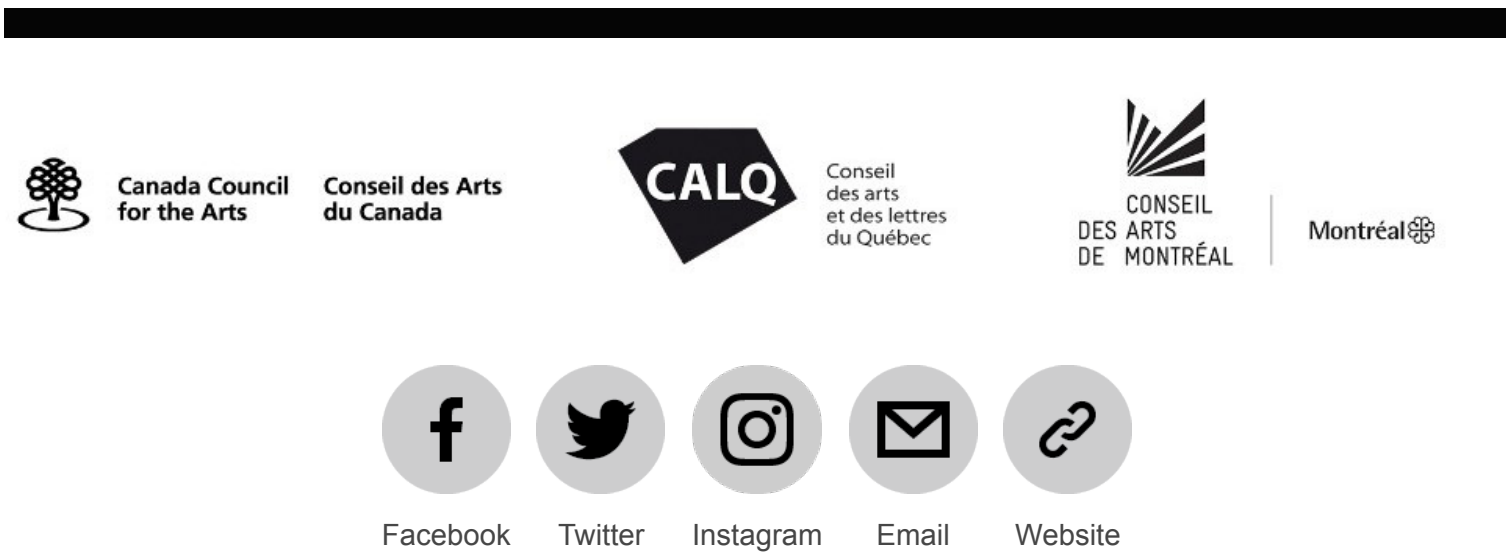

The [HTMLles Festival](#), Slow Tech edition, concluded on December 2. You can find some of the activities online here, and the rest will be available early next year. A big thank-you to the 54 artists and collectives, the activists, theorists, designers and to our 10 programming partners, who gamely took on the challenge of this pandemical, online iteration. It challenged us to really embody our Slow Tech ethos: slow down, be flexible, and above all, be creative about making connections between artists and the public.

Thank you to our programming partners: [ALN/NT2](#) / [article](#) / [Eastern Bloc](#) / [Feminist Media Studio](#) / [Groupe Intervention Video \(GIV\)](#) / [La Centrale Galerie Powerhouse](#) / [Moving Image Research Laboratory](#) / [OBORO](#) / [Technoculture, Art and Games \(TAG\)](#)

Thank you to the artists, activists, theorists and designers :
