+ society

Studio XX reopens this week! And there's a lot going on for 2020 ↴

– We are looking for a [graphic designer](#), as well as new members for our [programming committee](#)

– We have three ongoing calls for projects ([residencies](#), [programming](#), [HTMLles festival](#))

– There are still a few places left in our [Virtual Reality workshop](#)!

PROGRAMMING

Our [Slow Tech](#) programming continues! From September 2019 to July 2022, Studio XX slows down and supports practices exploring our relationship to technologies, to each other, to time, and to the environment.

WORKSHOP / PERFORMANCE

Floral Sleep | Coral Short
Saturday, January 25, 2 pm – 5 pm
At Studio XX
FREE | Registration required

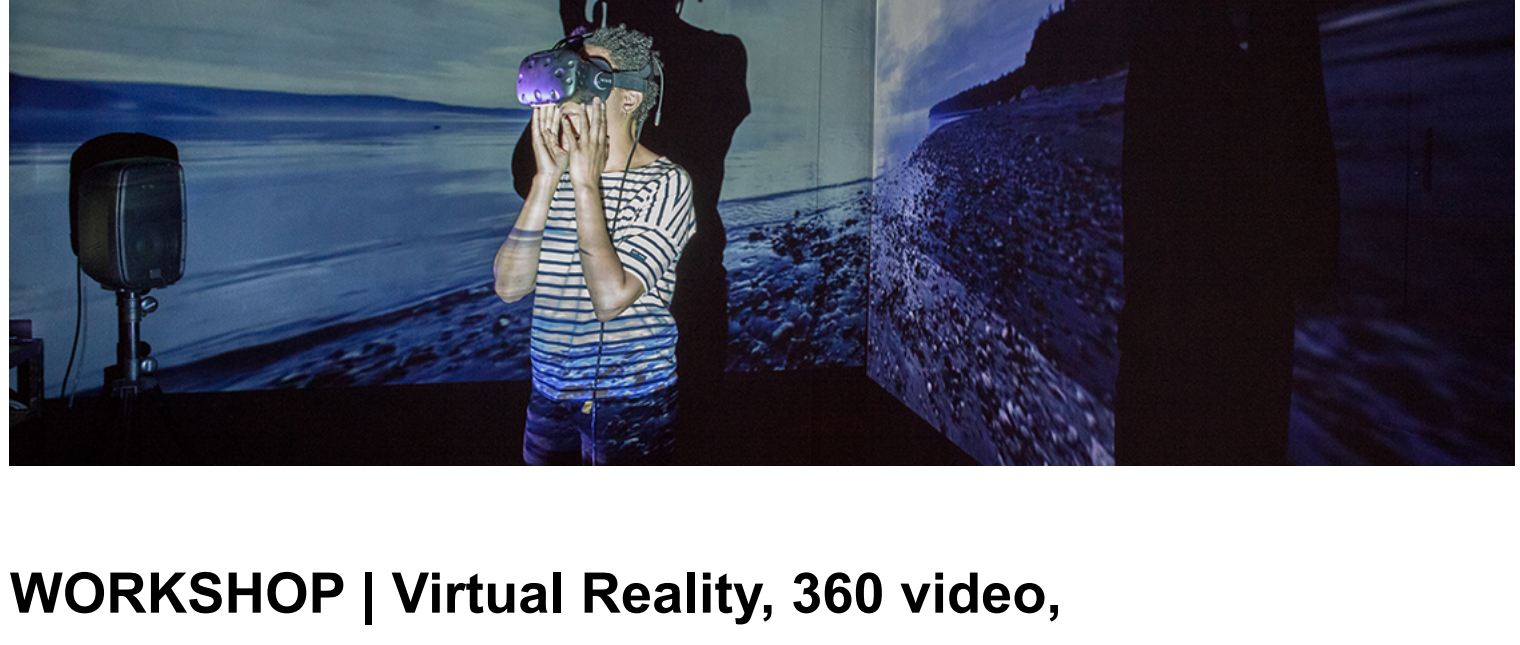

Floral Sleep is a relaxation session and a subtle exploration of sounds emitted by nature, in the spirit of ASMR.

Participants are invited to listen to and interact with plant elements for a slow, delicate and dreamy eco-sensual moment.

To register, contact ateliers@studioxx.org

WORKSHOPS

WORKSHOP | Virtual Reality, 360 video, and immersive installation
Instructors: Olivia McGilchrist + Martin Desrosiers
Wednesday January 29, Saturday February 1st, Wednesday February 5, Saturday February 8, Wednesday February 12
2 pm – 5 pm (15 hours in total)
Price: 135\$

This workshop aims to introduce the participants to a creative and critical process in 3 steps: creation of 360 video sequences; integration of the 360 sequences into a virtual reality (VR) environment; and setting up an immersive installation in space, either with video or VR, or by combining both.

For more than twenty years, Studio XX has been producing HTMLles, a feminist festival of media arts and digital culture. The festival has established itself as a socially-engaged space, addressing an urgent current issue with each edition. Every two years, HTMLles mobilizes local, national and international artists, theorists, and activists working at the intersection of art and technology, and unfolds in artist-run centres, cultural spaces, and university research laboratories throughout Montreal.
