On Saturday, February 1st, join us at Studio XX for [an afternoon of community archiving](#). This will be an opportunity to discover artists, researchers and activists that have enlivened the center over our history, as well as to brainstorm [new names](#) inspired by these archives ;) We will continue the discussion at our [Annual General Meeting](#) on Tuesday, February 4th. We hope to see many of you there!

PROGRAMMING

Our [Slow Tech](#) programming continues! From September 2019 to July 2022, Studio XX slows down and supports practices exploring our relationship to technologies, to each other, to time, and to the environment.

WORKSHOP / PARTY

Queer Sexting Party | Kinga Michalska
DJ: Carmen Colas (LSD – Lesbian Speed Dating)
Friday, February 14, at 7:30 pm
At Studio XX

Entrance fee – \$5 (no one will be turned away for lack of funds). To register, contact ateliers@studioxx.org

For Valentine's Day, artist Kinga Michalska invites self-identified queers and allies to join a Queer Sexting Party!

"Kinga's workshop is a space to swap strategies that broaden our sexting vocabulary as we reconsider what sensoria is legible as erotic. Does an image of waves breaking get you wet? [...] When we sext, the device itself becomes implicated in our practices of erotic pleasure. Bodies merge with machine, becoming amalgams of technology and flesh. The phone becomes a toy which mediates our erotic communication: both vibrant and vibrating. Screens become fetish objects, something our fingers tap, stroke, grope, and caress."
