FEMINISMS + ART + TECHNOLOGY + SOCIETY

Starting next week, Studio XX is presenting *indexE*, a project initiated by Sarah Chouinard-Poirier. On the menu: a series of radio-performances and three workshops. Join us for the launch on Tuesday and take part in a [Feminist Wikipedia Edit-a-thon](#)!

INVISIBLE EXHIBITION / RADIO-PERFORMANCES / WORKSHOPS
indexE | Sarah Chouinard-Poirier & al.
November, 27th to December, 14th
@ Studio XX + via Studio XX [radio stream](#)
[Facebook Event](#)

indexE brings together a series of invisible radio performances, a [Web piece](#) and three workshops. Drawing from a body of 100 books written by women, trans, non-binary and queer people, *indexE* raises the issue of women's invisibility in literature by using live voice and the Web as a means to share and transmit. This unseen voice, performed in a closed room, offers a reading of texts in order to "unforget" books selected by 100 people who were invited by Sarah Chouinard-Poirier. Broadcasted live in the XX gallery and via [Studio XX radio stream](#), the radio-performances will take place from Tuesday to Friday, 12pm to 2pm.
