WE NEED TO TALK! Networking event for XX's members

Tuesday May 30th, 2017 from 6 PM to 9 PM @ Studio XX

Registration : ateliers@studioxx.org

Refreshments will be served

Come and join us for this informal networking session for all XX members. The event serves as a great excuse for Studio XX members to introduce themselves, to share their skills, experience, questions and passions!

Why this event?

In the past year, we have been approached by many of you to ask for references about artists, programmers, coders, designers or other professionals with specific skills. During the past season of events and workshops, we have also heard your personal stories about not having a network of professionals with whom you can easily collaborate, and your desire to hang out with other like-minded people who share your passions. The overall goal of this evening is to activate a participatory, embodied-database of artists, creatives, and professionals in Montreal.

Come, meet each other, and talk shop over a drink or two.

Event Format

- Studio XX's team will facilitate this 6 à 9 soirée
- We'll start with an ice-breaker, followed by a group activity and then an informal discussion over snacks, drinks and music

Free entrance for all members! Please RSVP!!!
