# STUDIO

FEMINISMS + ART + TECHNOLOGY + SOCIETY

It's almost the end of the year! Studio XX will be closed between December 21st and January 9th but before we part ways, we still have a few events for you: BYOB @ 4001 Berri tonight at 7 PM and also our Annual General Meeting next Tuesday, December 5th at 6:30 PM. This will be a great time to gather before the end of the year and for you to meet the new faces of Studio XX! So... see you there?

## REMINDER - BYOB TONIGHT @ 4001 BERRI

**BYOB (Bring Your Own Beamer) at 4001 Berri**  
Friday, December 1st (TONIGHT!)  
7PM-10PM

4001 Berri's first event, organized in collaboration with Studio XX, OBORO, Groupe Intervention Vidéo (GIV) and Studio Éric Paré - Xangle is happening tonight! Inspired by the Bring Your Own Beamer concept, the idea is simple: you bring your own projector and invest the 4001 Berri space with your works in video, animation, 3D visualization, experimental animated GIF, etc. No projector? Don't panic! We will have projectors at your disposal! Not sure about what to show? Bring excerpts, experimentations or simply come to enjoy other people's projections!

It will be an opportunity to gather in an informal way before the end of the year as well as a chance for you to meet the new members of the Studio XX's team. We will have refreshments available and the [n10.as](#) radio will take care of the musical programming!

Looking forward to seeing you tonight!
