RESIDENCY

[Annie Goh](#) | April 4 to April 30, 2018  
[GenDyTrouble: Cyber\\*Feminist Computer Music](#)

[Annie Goh's](#) residency just ended!

During her residency at Studio XX, Annie Goh developed *GenDyTrouble: Cyber\*Feminist Computer Music*. This project draws on the common etymological ground between generative art/music and gender (lat. *genus*) in order to explore generative processes in electronic music. Want to learn more about Annie Goh's practice? Have a look at this [interview](#) with her!
