EDITION 13

FESTIVAL FÉMINISTE
D'ARTS MÉDIATIQUES

FEMINIST FESTIVAL
OF MEDIA ARTS

The last edition of HTMLles Festival 2016 was one of our most successful yet and we look forward to seeing you again for this year's edition in November!

HTMLles Festival is a Studio XX' production which takes place every two years. It brings together local and international artists, scholars, and activists through a series of exhibitions, conferences, performances and workshops. Exploring the aftermath of the #MeToo movement, this 13th edition will, once again, bridge current issues, media arts and feminisms.

HTMLles Festival's programming will be announced late September. Stay tuned!
